

Memorandum of Understanding

between

The town of Ivanic Grad represented by the Mayor Mr. Boris Kovacic
and

The German Support NGO Animal Protection Project Croatia represented by its
President Volker Fritzeimer, Germany

Croatia, December 2007

Objective

Establishment of a Partnership for the construction and management of a dog / cat shelter for a minimum of 500 animals, defined as dogs and cats, in the town of Ivanic Grad, referred to as "The Pilot Project".

The two parties agree to the following:

Commitment of the Town of Ivanic Grad

- Finalize all documentation necessary for the construction of the shelter, i. e. License for Building Conditions, Building Permission, also including tendering the construction of the shelter.
- creation of architectural project in cooperation with a German architect recommended by the German NGO.
- Construction of the shelter.
- Set up of a bank account for donations by sponsors.
- Acceptance of participation ex officio by a representative of the German NGO at City Council meetings to participate in all decision making and financial transactions for The Pilot Project.
- Acceptance of an ex officio representative of German NGO in selecting the managing NGO/company for the shelter after finalizing the construction.
- Assign land for the shelter to the designed NGO on basis of a 99 years lease.
- Give right of first use of the land by The Pilot Project which land is currently used by the animal market.
- Indents to pay a vet and two zoo-keepers for the running project.

Commitment of the German NGO

- Setting up a German bank account to promote the project.
- Define the patron for the project in cooperation with the Town of Ivanic Grad.
- Cooperation between the German NGO and supporters in Croatia to promote the project.
- Organize and coordinate the cooperation between the German Eichler Marketing and the Croatian Manuela Sola Marketing Company.

- Initiate common promotion activities.
- Offer support by a German architect to develop the architectural plan.
- Appoint a representative to be an ex officio part of the council board of the Town of Ivanič Grad.
- Appoint ex officio representative during the selection process of the managing NGO for the shelter.
- Provide the donated money for the project to the bank account set up by the town of Ivanič Grad after having checked construction bills.

Both

- Decisions on planning, construction and running the shelter can only be made by consensus of both parties.
- The cooperation is based on complete transparency in sharing all information related to The Pilot Project including status on the bank account and council decisions
- Each party is accountable for its actions to its donors and the respective partner.

Time frame

October 2007 to September 2009

Date: December 2007
